### Notes

1. Chinchilla is accepted only as Chinchilla lanigera forma domestica in Germany (the “forma domestica” part is important as otherwise it may be misconstrued as being wild species which are banned in Germany)
2. Fox Blue is accepted as Alopex Lagopus in Belgium, China, Greece, HK, Italy, Japan, Korea, Switzerland, Turkey, UK and USA.
3. Fox Blue is accepted as Alopex Lagopus forma domestica in Austria, China, Germany, Switzerland
4. Fox Blue is accepted as Vulpes Lagopus in China, UK and USA.
5. Fox Silver is accepted as Vulpes Fulva in UK, South Korea.
6. Fox Silver is accepted as Vulpes Vulpes in Belgium, China, Greece, HK, Italy, Japan, Turkey, UK and USA.
7. Fox Silver is accepted as Vulpes Vulpes forma domestica in Austria, China, Germany and Switzerland.
8. Mink is accepted as Mustela Vison in China, Greece, HK, Italy, Japan, Korea, Turkey and UK.
9. Mink is accepted as Neovison Vison in Belgium, China, Korea, Switzerland, UK and USA.
10. Mink is accepted as Mustela Vison Forma Domestica in Austria, China, Germany and Switzerland.
